

The FUZZ Buzz End of Summer Edition 2011

Because you Care...

The CCSPCA is one of the top compassionate & progressive shelters in the state. By July 31st we were able to rescue 396 animals, and we could not have done it without YOU.

Special Thanks to:

On Average, it costs about \$100.00 per animal for routine medical expenses— if the animal comes to us healthy. As medical costs rise, so does the number of animals that come to our door needing basic care and a second chance at a loving home. For a donation of \$100.00, you can join our LifeSaver team and receive a free exclusive CCSPCA LifeSaver T-shirt. Every life deserves shelter, safety, and health. And you can assure that the CCSPCA provides just that to those in need.

The CCSPCA is not just a pound. We are more than a building. The CCSPCA is a living, thriving organization that affects every person and animal in Cortland through education, law enforcement, compassion, and action. You are the heart that beats and propels us forward.. Your generous giving supplies us with what we need to reach a whole community. And it starts with one life at a time. So join our new Life-Saver team and continue to make a difference. Fill out the form below, or use Paypal at cortlandspca.org (please include T-shirt size in the notes and phone number).

Fur Was Flying For Felines

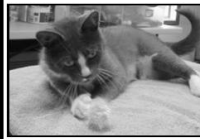

The Crown City Rollerz, Cortland's roller derby girls, had their claws out and were ready to roll when they hosted "Cat Scratch Fever"-a double header roller derby bout on August 6th at the JM McDonald Sports Complex. This scratching skirmish raised over five hundred dollars for the homeless animals of Cortland. MEOW!

What's the Buzz About FuzzFest 2011?

Over 800 attendees came from counties far and wide to support CCSPCA's 2nd Annual Festival for Pets and the People Who Love Them. Shorty Rossi & Hercules— Stars of Animal Planet's hit series "Pit Boss" were a big draw, but the event itself was why folks stayed and vowed to come back next year— and bring their friends! 40 Vendors, contests, games, attractions, an off-leash dog play park, door prizes, Tails On Trails Walk-a-thon filled with Fun Fuzz Facts, and the chance to parade your pooch and show off your Schnauzer— made for the most successful and worthwhile event the CCSPCA has ever had. And this was just our second year! Next year promises new surprises and bigger fun! Thanks to all who attended and supported us financially. As always— every dollar raised goes directly to the care of the homeless animals that come to the shelter to find refuge. See YOU at the Fest in 2012!

Dee Dee

On a Saturday evening in June a cat was found with a steel leg trap attached to her left front foot...a trap she had dragged with her as she struggled to find help and relief from the pain. With the trap still attached to her leg we rushed her to the Cornell Veterinary Hospital where they removed the trap from her grossly swollen foot, hydrated her and gave her pain meds to help manage the excruciating pain she was enduring. We brought her back to the shelter.

As she healed we discovered she had lung worms & a large wound on her neck. Through it all, she has always been incredibly loving & gentle. After many weeks her foot is healed, her lungworms are gone, she's spayed, vaccinated and ready for adoption. But nothing is ever easy for Dee Dee. She seems to have a neurological problem that makes her left front leg somewhat uncoordinated. She can still jump up and down off from chairs and
